**Rules for use of the public areas of the Fields at 17 Springs Complex- Phase I**

1. Spectators shall park in the designated gravel parking lot and utilize the public entrance gate only. Vehicles shall not traverse and/ or park in other areas of the site. Active construction is ongoing around the initial field;
2. Spectators shall remain inside the fenced areas of the complex and not venture into areas outside of the fences;
3. Spectators shall only sit along the east sideline. The east sideline is the same side as the gate where the public will access the field. The spectator seating is considered as part of the turf field;
4. Spectators shall be seated no closer than 10' from the edge of the sideline markings. Cones will be placed to designate areas where spectators may sit;
5. Spectators should bring their own seats as there are no bleachers on site for spectators. Chairs, tents and other items used for seating shall have flat bottom legs as to not penetrate through the synthetic field turf. No items with a spike or that can penetrate the turf shall be utilized on the field turf;
6. No gum or tobacco products shall be permitted on the synthetic field turf;
7. No open flames, fireworks or any device that generates heat and could burn the synthetic turf will be permitted on the field turf;
8. No dogs or pets are allowed on the synthetic field turf;
9. Do not pour any liquids out on the turf field as concentrated amounts can remove infill from the turf field;
10. No spectators will be allowed onto the playing surface unless authorized by the Grandview YMCA staff. Players, coaches, officials and trainers shall be the only personnel permitted on the west sideline;
11. No spectators shall be on the north and/ or south end of the fields including behind the netting designed to prevent balls from leaving the playing surface;
12. No climbing on fences and or netting;
13. Any spectator that cannot follow these rules will be subject to removal and appropriate response by local law enforcement if needed;
14. These rules are in effect when the public area of the complex is open for use. If the access gates are locked upon arrival, the facility is closed to the public;
15. Use of the facility when locked will be deemed as trespassing and turned over to local law enforcement.
